Wheatland City Council

Dear Honorable Council Members:

Domestic Violence is a community issue. Domestic Violence is not only in our homes, it is in
our schools, churches, hospitals and workplaces. Maybe you or someone you know or a loved
one of yours is a victim. What would you do to help them? What will you do to help others? At
Casa de Esperanza we are committed to our work to end personal and family violence in our
communities. "Safe Homes, Safe Communities".

Each October communities across the nation join together to recognize the existence of Domestic
Violence and come together to honor those who have been affected by Domestic Violence with
candlelight vigils, walks and awareness campaigns. Purple is the symbolic color for Domestic
Violence Awareness Month. THIS YEAR LETS TURN OUR COMMUNITIES PURPLE.

Each year we come before you and request your support in proclaiming October as Domestic
Violence Awareness Month. Each year you have shown your support to the abused and battered
women and children of our community through your proclamation. This year we again ask for
your support. By working together as a team with our community through prevention and
intervention, we hope to attain the goal of minimizing and eventually eliminating domestic
violence, sexual assault, and child abuse.

We ask that your board help us kick off the beginning of the month by adopting a proclamation
(example attached). We invite you to wear a purple ribbon and to hang purple ribbons on your
home and from your car antenna or mirror during the month of October. Another way to turn our
communities purple is to replace your outside lights with a purple light bulb for the month of
October. This will be evidence of your personal commitment to ending the tragedy of domestic
violence, as well as support of those individuals and agencies that daily fight the battle.

We appreciate the support you have provided in the past and look forward to your continuing
support in the future.

If you would like any additional information regarding domestic violence, or if you have any
questions, please feel free to contact us at (530) 674-5400.

Sincerely,

Linda Hodges
