CITY COUNCIL MEETING STAFF REPORT

Date: May 24, 2016
Agenda Item:

Subject: Wheatland-Premier Grove Landscaping and Lighting District Engineers Report and Public Hearing Date for Proposed Assessments.

Prepared by: Rex E. Miller, Director of Administrative Services

Recommendation: Council adopt the attached Resolution of intention to levy assessments for the Wheatland-Premier Grove Landscaping and Lighting District and providing for notice of hearing.

Discussion: Attached for Council information is the annual Engineer's Report established for the Wheatland-Premier Grove Landscaping and Lighting District prepared by SCI Consulting Group on behalf of the City. Each year the City Council must re-establish the appropriate assessments for the services provided to these areas and this year the report reflects a 3.17% CPI increase to the assessments. The attached Resolution generally describes the services to be provided through these assessments and establishes a public hearing date of June 24, 2016 where action to formally set these rates would be taken. The action proposed tonight only sets the hearing date.
